Take Control of Your Wide Format Printing!

February 15-19, 2021

Learn real-world color management in this 5-day webinar series. $50 All inclusive.

In just 5-days you'll take back control of your software and printer and begin to control output the way you want. Not only will you get better printing but also learn how to control, and match colors.

This webinar series is not software or printer-specific. While we will use FlexiSIGN & Photoshop for much of the training, all are welcome!

FlexiSIGN, Photoshop, Versaworks Users
MUTOH, Mimaki, HP, Epson, Roland Users
