**Key:**

- 🔴 Excellent Choice. Optimized for specific technology listed.
- 🔵 Good Choice. Recommended testing prior to use is suggested.

This applications chart shows possible end uses for Northern Lights products based on their appearance and physical properties. This information is provided as a creative tool only and does not express or imply any guarantee of a product's suitability for any specific application. It is the responsibility of the purchaser to determine the suitability of a product for their specific end use. We strongly recommend thorough testing before purchase and installation and will provide samples for that purpose
