

# Graphics Media

**It's Academic. Whatever Your Application, We Have Exactly What You Need.**

Indoors and outdoors, walls and floors, sidewalks and parking lots, hallways and stairways, chairs and tables, and more. Jessup helps you promote social distancing and overall safety with graphics media proven to stick and stay stuck.

**We Have Graphics Media for Every Possible Application**

Asphalt	Concrete	Glass	Carpet	Wood	Plastic	Metal	Brick	Stone	Vinyl	More

# Graphics Media Made to Adhere to Brick, Concrete, Walls, Metals, Plastics and Even Carpet. **#JESSUP HAS IT.**

From 3 days to 3 years. Indoors and outdoors. Every surface imaginable, from smooth to rugged textures...and yes, even carpet. Our adhesives stay stuck as long as you need them to, days to weeks to months to years. We have repositionable adhesives, too.

**WELCOME BACK MUSTANG**  
*Remember to stay 6 feet apart*

## Committed to a Better World

Jessup Manufacturing is committed to developing products that improve the way people live, work and play while creating a lower impact on the environment. Jessup has industrial, performance and quality engineers, chemists and technicians– all committed to studying and refining the impact of its products to minimize, if not altogether eliminate, the negative impact on the environment. Jessup is recognized as a global leader in the development of sustainable products that have redefined how international, national, state and local code writers specify products that require zero energy and are recyclable. Some products qualify for LEED credits. Jessup is committed to the continued innovation of materials and products in ways that deliver quality performance while also protecting the environment.

# The Top 10 Reasons to Specify Jessup

- ✓ **Expertise:** 64 years of adhesive and material innovation.
- ✓ **Safety:** Certification to relevant slip resistance standards.
- ✓ **More Safety:** Certified Floor Safety Products Manufacturer.
- ✓ **Simplicity:** Print-and-Go Media eliminates the need to laminate.
- ✓ **Versatility:** The right material for your specific application.
- ✓ **Durability:** Media that sticks and stays stuck 3 days to 3 years.
- ✓ **Eco-Friendly:** Follow directions and the adhesive leaves no residue when removed.
- ✓ **Support:** Visit [www.jessupmfg.com](http://www.jessupmfg.com) for resources to make your job easier.
- ✓ **More Support:** [Download our eBook](#) on specifying the right material for your application.
- ✓ **Real Value:** See all of the above.
