

Alfresco™ Natural Grass Cloth Commercial Wallcovering

Product Description

Alfresco™ is a Natural Grass Cloth Fabric Composite that combines a moisture barrier with a proven commercial nonwoven fabric backer to produce an easy to install and dry strippable Commercial Grass Cloth Wallcovering that is designed to resist adhesive and moisture staining through the backside of the porous woven grass surface during installation and use. The Natural fabric face can be printed via Latex and UV printer. The product achieves Class A Certification on ASTM-E84 test protocol.
