

## ProTex™ PVC Free Commercial Wallcovering

### Product Description

ProTex™ is a 100% PVC Free 17 Pt Commercial Wallcovering. It combines a coated nonwoven fabric with a traditional poly/cotton Osnaburg Scrim and a soft suede texture to provide a durable, dimensionally stable, commercial wallcover fabric that can be printed on a Solvent, Latex or UV printer. ProTex offers a stable and optimized white print surface that provides a brilliant canvas for exceptional color fidelity and crisp clean imaging. The product achieves Class A Certification on ASTM-E84 test protocol and is available with FSC Certification.
