

ProWall™ Tapestry™ PVC-Free Commercial Wallcover

Product Description

Tapestry™ is a 100% PVC Free 10 Pt Commercial Wallcovering. It is a bright white coated nonwoven fabric that is engineered to provide a strong, tear resistant and dimensionally stable option for lightweight commercial and residential wallcovering applications. Tapestry is engineered to be printable on either a Latex, Solvent or UV printer. It provides a stable high white print surface for exceptional color fidelity and crisp clean imaging. The product is manufactured with over 30% PCW content, is available with FSC Certification, achieves Class A Certification (ASTM-E84) and is Prop 65 Compliant.
