ProWall^{TM} Tapestry^{TM}

RTI Ready-to-Install With

Removable PSA Backing

Product Description

Tapestry^{TM} RTI is a Ready-to-Install removable PSA backed PVC Free 9 Pt Wallcovering and Wall Mural option. It is a bright white C2S nonwoven fabric that is engineered to provide a strong, tear resistant and dimensionally stable option for lightweight commercial and residential wallcovering and wall mural applications. Tapestry-RTI is engineered to be printable on either a Latex, Solvent or UV printer. It provides a stable high white print surface for exceptional color fidelity and crisp clean imaging. The product is manufactured with over 30% PCW content, is available with FSC Certification and Prop 65 Compliant.
