

# Scenic Expressions Taffeta Paste

## Overview

A lightweight 100% woven polyester fabric, treated with Aurora's proprietary Expression coating. This coating is optimized for maximum color output and color gamut with latex, solvent/eco-solvent, and UV inks.

## Physical Properties

| Property         | Unit                                   | Test Method                          |
|------------------|--|--------------------------------------|
| Weight:          | 7.4 oz / sq yd                         | ASTM D3776                           |
| Material:        | 100% Polyester                         |                                      |
| Weave:           | Taffeta                                |                                      |
| Brightness:      | 95 D65 CIE L*                          |                                      |
| Gloss Level:     | Satin                                  |                                      |
| Coating Color:   | White                                  |                                      |
| Substrate Color: | White                                  |                                      |
| Thickness:       | 0.01 inches (10 mil)                   | Test Method<br>TAPPI T-411           |
| Fire Retardant:  | N/A                                    |                                      |
| Printable Sides: | Coated side is compatible for printing |                                      |
| Width:           | 54", 60"                               | Custom Roll Widths:<br>Upon Request  |
| Roll Size:       | 50yd                                   | Custom Roll Lengths:<br>Upon Request |

Roll lengths may vary due to variability of piece lengths of fabric.  
Product is offered and sold by the yard.

## Printability Key

Latex  
Solvent / Eco Solvent  
UV  
Dye Sublimation Direct  
Dye Sublimation Transfer
