Top Value Fabrics

DigiPanorama Latex Performance

Our **DigiPanorama** is a heavy polyester fabric designed to provide outstanding color consistency and excellent image sharpness when printed. This latex performance textile is manufactured with a superior print receptive treatment and displays a wide color range after imaging.

This heavyweight 100% polyester knitted fabric meets NFPA 701 FR specifications. **DigiPanorama** features a uniquely formulated, proprietary coating to enhance performance and ink fastness of the graphics when printed with Latex Inks. This versatile heavyweight constructed fabric is excellent for applications including high-end retail POP, banners, banner stands, backdrops, roll-up displays, tradeshow exhibits, frontlit applications and interior decor.
