

Glo Brite[®] Promotional Grade Graphics Media

Glo Brite[®] promotional grade graphics media is the newest addition to the product line of specialty graphics media manufactured by Jessup Manufacturing Company. It is a thin gauge, flexible glow-in-the-dark film coated with a permanent acrylic adhesive. It has a matte HD print receptive surface layer which provides excellent printability on UV cure systems. Glo Brite's[®] photoluminescent properties make your graphics unique and memorable.
