

emerald

E12-MVJ

FEATURES

- Chemically & colour matched to the Mutoh Valuejet[®] printer series inks
- No flushing or profiling required when converting from OEM inks.
- Excellent Outdoor Durability
- Environment Responsible Product (ERP) with no hazardous air pollutants
- Supported by NUtec Digital's Ink Delivery System Warranty

OVERVIEW

Emerald E12-MVJ is an Environment Responsible Product (ERP) ink designed as a back-to-back replacement for Roland Eco Sol/Max ink and is optimised for the Mutoh Valuejet series printers.

The Emerald E12-MVJ is a greener solution for preserving the environment, as it contains no hazardous air pollutants and provides a safer operator environment due to more favourable

exposure limits.

Emerald E12-MVJ provides excellent media compatibility across a broad range of self-adhesive and flexible substrates.

Provided the inks are used in regular applications, using suitable substrates, the printed images will last for up to 24 months.

PRINT HEAD COMPATIBILITY	Epson [®] DX4 [™] , Epson [®] DX5 [™] , Epson [®] DX6 [™] , Epson [®] DX7 [™]
PACKAGING CONFIGURATIONS	1L Bottle, 1000ml Pouch, 2000ml Pouch, 500ml Cartridges
