## OVERVIEW

Diamond D15-TRV eco-solvent ink is designed as a back to back replacement for Roland® TrueVIS TR inks.

The Diamond D15-TRV formulation offers superior abrasion and chemical resistance.

Diamond D15-TRV ink provides excellent media compatibility across a broad range of self-adhesive and flexible substrates, including vehicle wrapping when using film laminate.

Provided the inks are used in regular applications, using suitable substrates, the printed images will last for up to two years.
