

POLYDS is an 8 mil Double-sided matte Blockout Polypropylene film with high opacity

# POLYDS

8 mil Double-Sided Matte Blockout Polypropylene

## Features

- Water and tear resistant
- Excellent ink adhesion on both sides
- Environmentally responsible
- Latex compatible (pre-test):

Choose HP White Satin Poster Paper mode

Avoid Overheating

Make sure media is dry before engaging take-up reel

For double-sided printing, side one use setting 1 on take-up reel. This will compensate for any curling when printing side two.
