

STICK-TEX-A is an adhesive backed fabric that sticks to any non-porous flat surface and removes easily with no residue. STICK-TEX-A is ideal for life-size photographic cut-outs for wall decals and wall murals.

The adhesive is removable, reusable, and repositionable. STICK-TEX-A does not remove paint from a primed wall, is safe to apply over wallpaper, applies without wrinkles, and does not rip.

STICK-TEX-A

13.5 mil, 275 gsm Adhesive Backed Wall Fabric

Specifications:

Adhesive Color	Gray
Adhesive Type	Removable & Repositionable
Finish	Matte
