13.5 mil, 330 gsm Adhesive Backed Wall Fabric

Stick-Tex-S is an adhesive-backed fabric that sticks to any non-porous flat surface and removes easily with no residue. STICK-TEX-S is ideal for life-size photographic cut-outs for wall decals and wall murals.

The adhesive is removable, reusable, and repositionable. It does not remove paint from a primed wall, is safe to apply over wallpaper, applies without wrinkles, and does not rip.
