

TexWalk® - One-Step Solution for Floor and Wall Graphics

TexWalk® is the supreme one-step solution for brilliant indoor and short-term outdoor floor and wall graphics. It is a printable, fabric reinforced, non-slip PVC that's easy to apply and remove and leaves little to no adhesive residue. It has a matte finish and can be cut into any shape. It's easily applied to carpet, tile, wood, metal, painted surfaces, PVC floors, and untreated stone.
