

DigiHeavy

Our **DigiHeavy** is a heavy polyester fabric designed to provide outstanding color consistency and excellent image sharpness when printed. This direct print textile is manufactured with a superior print receptive treatment and displays a superior color range after imaging.

This heavyweight 100% polyester knitted fabric meets NFPA 701 FR specifications and is specially engineered for direct printing. Versatile due to its heavyweight construction, common applications of **DigiHeavy** include high-end retail POP, banners and banner stands, backdrops, roll-up displays, tradeshow exhibits including stretch frame systems, and interior decor.
