

## DigiPanorama

Our **DigiPanorama** is a heavy polyester fabric designed to provide outstanding color consistency and excellent image sharpness when printed. This direct print textile is manufactured with a superior print receptive treatment and displays a wide color range after imaging.

This heavyweight 100% polyester knitted fabric meets NFPA 701 FR specifications and is especially engineered for direct printing. **DigiPanorama** features a uniquely formulated coating to enhance performance of the graphics when printed with Latex Inks. This versatile heavyweight constructed fabric is excellent for applications including high-end retail POP, banners, banner stands, backdrops, roll-up displays, tradeshow exhibits, frontlit applications and interior decor.
