

Tablecloth Fabric Pro DIRECT PRINT TEXTILE

Our **Tablecloth Fabric Pro DIRECT PRINT TEXTILE** is a knitted polyester fabric with a soft hand, sleek drape and a durable construction that makes it ideal for corporate and event tablecloths.

Due to the fabric's wrinkle resistance, platform for vibrant color, and the properties that make it travel well this fabric is also excellent for a variety of retail displays and expo displays such as backdrops, banners and popup displays.

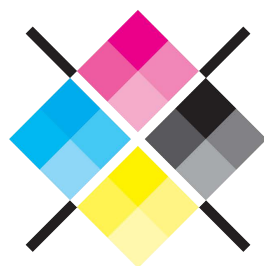

This media, and our entire Direct Print Textile line, is designed especially for printers who demand high performance textiles for direct printing. After imaging, this media is designed to provide outstanding color consistency, exceptional image sharpness and a wide color range.
