

## 11 oz. Heavy Polyester PREMIUM PRINT TEXTILE

Our **11 oz. Heavy Polyester PREMIUM PRINT TEXTILE** is a 600 X 600 denier polyester woven fabric manufactured with a superior inkjet receptive layer. After imaging, this premium print textile is designed to provide outstanding color consistency, excellent image sharpness and a wide color range.

This heavyweight fabric is translucent and the face side of the fabric is FR. The fabric is not to be used in backlit applications due to the coating on the fabric's reverse side. Applications include high-end retail POP, banner stands, roll-up displays, and interior decor.
