Impress with Direct Print Textiles

Set your printing apart and dazzle your customers with our Direct Print Textiles. Available in widths to 126", this high-performance line provides an advanced platform for printing superior banners, flags, tradeshow exhibits and advertising displays.

Several fabrics in this line are REACH Compliant and five fabrics in this line have recently won industry product awards: Flag Superb, Geo Mesh, Ultra White Blockout, Impact Prime and Supernova.

Aurich Textilien

Select fabrics are products of Aurich Textilien. Learn more about our partnership at TopValueFabrics.com/Aurich
