Impress with Our Newest Textiles

LOOK LOVELY IN LEOPARD

Top Value Fabrics proudly introduces our newest textiles that provide an advanced platform for printing brilliantly. Applications for these textiles include banners, flags, exhibit graphics, tension fabric structures, tents, backlit graphics, backdrops and retail displays.

Many of our new fabrics are optimized for use with HP Latex Ink Technology. Available in widths to 126", these high-performance fabrics provide an advanced platform for printing with outstanding color consistency, excellent image sharpness and a wide color range.
